Internship Brand Management Laundry & Home Care Persil CEE (m/f)

Persil

Silan

Henkel's Laundry & Home Care brands have been trusted by generations of families. To maintain the trusted quality it takes constant innovation, sound research, cutting-edge product development, smart marketing and sales. Above all, it takes people who share our passion and embrace change. What do you strive for?

What we offer:

We offer a **fulltime internship** for a period of **6 months**, starting **Mid of July/August 2012**.

- You will assist the Brand Management in the development and roll-out of strategies, promotions and concepts for laundry & home care brands for the region Central and Eastern Europe.
- You will analyze, track and monitor brands and markets.
- You will cooperate closely with agencies and marketing colleagues in the countries.

An internship at Henkel CEE gives you the chance to make creative use of marketing knowledge you gain in international projects. Henkel offers professional training-on-the-job with high responsibility and an exciting environment in an international company. Gross salary according to type of internship min. €935.00 per month.

Who we are looking for:

- You have an excellent university degree in business administration
- You have practical experience acquired through internships
- You are analytically strong, team-oriented and an effective conflict manager. Furthermore, you have a very international mindset
- You are an independent thinker who acts and decides objectively and with integrity
- You have excellent communication skills in English. Other major languages are a plus

Henkel Excellence is our Passion
