

Talk is a successful online market research company and offers comprehensive services in terms of online surveys and the collection of behavioural data to international clients. We currently run online panels in 25 European countries and work closely together across borders. As part of the Tito & Friends Group, we combine market research with the latest technologies to provide our clients insights into complex topics. With our strong IT background, we strive for innovation and are therefore constantly expanding our scope of action.

We want to grow further. That's why we are looking for new team members and are now offering a challenging specialist position as:

Internal Project and Panel Manager (m/w/x)

With passion for figures and statistics

YOUR ROLE:

- You contribute to the creation and maintenance of profile attributes within the framework of panel management
- A smooth process is essential to you – that's why you are passionate about supporting the team in the entire creation of profile surveys
- You play an important role in enhancing our market research projects by preparing well-structured international population statistics
- You will assist your colleagues from setting up and testing questionnaires to inviting our international panel members to take part in the survey
- With your high service-orientation you create enjoyable experiences for our panellists and motivate them to be part of our community
- You love diving into statistics and data sets and creating "readable" reports for our clients

YOUR PROFILE:

- You are enthusiastic about improving your market research and statistics skills which you gained during your previous job or at the university (field of study: Economics, Sociology, Psychology, Market Research or Statistics)
- As a curious personality you are eager to dive deeply into statistics and love to work independently
- You impress your co-workers with your computer skills and your profound know-how on Excel, including Vlookup and Pivot
- As a born team player, you inspire our team with your personality and are strongly motivated to contribute to the company's goals
- You feel comfortable communicating in English over all channels

OUR BENEFITS:

- A multicultural team (more than 21 nationalities and languages) full of motivation and a dynamic environment are waiting for you
- We are only strong together - in our team we support each other in all challenges
- The possibility to work independent and autonomous
- Flexible working of course matters for us - therefore we offer a full-time position with flexible working hours as well as home office days
- This position is classified in VG3 of the collective agreement for advertising and market communication. It is important to us to offer you a fair and attractive salary starting at € 2,300 gross per month. Of course, the final salary will be adjusted depending on your experience.
- Endless application rounds are not your thing? Neither is ours – we promise you a fast and transparent application process on eyelevel

You are passionate about taking over this multi-faceted position? - Then we look forward to hearing from you!

Please send us your application to jobs@talkonlinepanel.com.
Your contact person is Anita Primo.
